

Utility Safes

Excellent protection against robbery and perfect for cash management. Utility Safes by Gardex® are used in retail and cash-intensive environments of all kinds including gas stations, clothing stores, restaurants, delivery services, convenience stores where secure non-returnable deposits are necessary. Your deposits drop through a heavily baffled one-way system that secures them until an authorized removal. Utility Safes by Gardex® are made to the highest standards of security and quality to endure heavy use in busy retail environments.

- 4 sizes with capacities ranging from 1.26 cu. ft up to 7.16 cu ft.
- Class B insurance rating with high-strength steel door, 1/2" thick
- UL®-listed combination lock
- Large heavy-duty steel locking bolts and interlocking hinge
- Versatile design can be used as a front-slot deposit safe or the slot can be blocked with included secure cover that bolts from the inside
- Auto-lock boltwork with bolt detent feature
- Bolt-down holes allow safes to be secured in place with included bolt-down hardware
- Baked powder-coat for ultra-durable finish
