

Front-Load Depository Safes

Cash Depository Safes are favoured by gas stations, clothing stores, restaurants, delivery services, convenience stores and anywhere that a secure non-returnable deposit is required. Gardex® offers a series of cash depositories that are perfect for cash management and hold-up protection. Your deposits drop through a heavily baffled one-way system that secures them until an authorized removal. The cash depositories by Gardex® are made to the highest standards of security and quality to withstand the toughest retail environments.

- 3 sizes and configurations ranging from large capacity Dual-Compartment to smaller capacity single compartment
- Class B insurance rating with 1/2" thick high-strength steel door
- UL®-listed combination lock
- Relocking device double locks against severe burglary attacks
- Massive steel locking bolts and interlocking hinge
- Front load, mailbox-style deposit door allows most deposits to be dropped while the safe is locked
- Bolt detent and auto-lock boltwork
- Bolt-down holes and bolt-down hardware included
- Durable baked powder-coated finish
